Code of Conduct

Purpose
The library strives to maintain a safe and comfortable environment for its patrons, volunteers, and staff members while also protecting library property. This policy outlines rules and expected behaviors for those using the library.

General Rules
1. Refrain from any behavior that disrupts others, including making loud noises, inappropriate language, and blocking aisles.
2. Keep food away from library materials and equipment and use a lid for all beverages.
3. Use library facilities, furniture, equipment, and materials appropriately.
4. Do not run inside, climb, or roughhouse.
5. Wear a shirt and shoes.
6. Adhere to community standards of hygiene, including personal smell and cleanliness.
7. Stay out of areas marked "Staff Only."
8. Keep pets and animals outside unless they are ADA-allowed service animals.
9. Do not use tobacco products, including cigarettes, e-cigarettes, and smokeless tobacco anywhere on library grounds.
10. Dispose of all litter, including cigarette butts and pet waste, in appropriate receptacles.
11. Do not skateboard anywhere on library grounds.

13. Pick up children before the library closes.
14. Do not solicit goods or services on library grounds.
15. Abide by all library policies.

Those who violate any of the above rules or otherwise disrupt the library will be asked by the library’s security guard on duty to correct the behavior and, if necessary, leave library grounds. If a patron fails to comply with such a request, the security guard may ask patron to leave library grounds, and a suspension of library services may result. Repeat offenders may be permanently banned from library grounds.

The following behaviors will not be tolerated at the library:

1. Bringing alcohol, illegal drugs, or drug paraphernalia onto library grounds.
2. Selling, using, or being under the influence of alcohol or illegal drugs.

9. Any other behavior that violates Federal, State, or local law.

Staff members will immediately call the in-house security officer to deal with any person found engaging in the above behaviors. The security officer may call law enforcement if deemed necessary by the security officer and/or library management. Infractions may result in temporary or permanent banishment from library grounds.
